Getting to Know God Better

How well do you know God? Everyone has heard *about* God, but God's desire is that we truly *know* Him and to allow Him to be involved in our lives. *Getting to Know God Better* is a straightforward introduction to both God and His son Jesus Christ. The goal is to experience what a closer relationship to them could mean to your life. The goal is for your life to be transformed by the power of God. The class allows you to explore for yourself both the claims and the promises of Christianity as contained in the Bible. Some of the questions addressed in the class are:

How can I get to know God?
Who is Jesus Christ and what did he do?
How can God heal and touch my soul?
What is the Bible and how did we get it?
Is the Bible still relevant today?
How can I read and understand the Bible?
What does the Bible say about death and resurrection?
How can I receive God's deliverance or healing in my life?
What does it mean to be born again?
How can I operate the power of God in my life?

I am come that they might have life, and that they might have it more abundantly
Jesus Christ - John 10:10

The class has seven sessions and all you need to bring is a Bible and a desire to know God better. The first session is open to anyone without cost or obligation. If you decide to continue, the registration fee for the class is \$20. New students need to attend each of the seven sessions of the class. If you have any questions please send an email to info@gcfnaperville.net. God bless you!

I keep asking that the God of our Lord Jesus Christ, the glorious Father, may give you the Spirit of wisdom and revelation, so that you may know him better.
